RE: Donation of Turkeys

Dear Community Partner,

Thank you for your generous contribution to our school. We sincerely appreciate your generosity and through your donation, we were able to provide turkeys to some of our students and their families.

As a Leader in Me School, we make every effort to build positive relationships with our community to help develop future leaders. We look forward to building a mutually beneficial relationship with you. If there is anything our English Estates Roadrunners can do to help you and the community, please let us know.

Again, thank you for your kindness and your donation. We are so fortunate to have wonderful business partners and community members to make English Estates Elementary stand out from the rest!

Sincerely,

Shanston Boyd-Marks
