The Manager,
Help Feed the World Inc
USA

Dear Members of *Help Feed the World Inc*, please accept our hearty thank you for your kind, wonderful and generous donation to our organization.

Many of our Guyanese – both adults and children – were very pleased and thankful to receive the items you sent. Please note that we were able to distribute many of the items in Sofia, Bagotstown, Enterprise, No. 65 Village and Springlands. The many children were thrilled to receive such special attention. Please note that we did mention your organization as the donor for the items they were receiving.

We are now working towards hosting children for various Christmas giveaways.

On behalf of the many recipients, THANK YOU for your kindness. May God continue to bless you with great success so that our people continue to receive the help they deserve.

With sincere thanks.
